HEALTHY BABY SHOW

“Healthy Baby Show” was held on 5th March 2020 at Ghurki Trust Teaching Hospital. Around 200 kids participated from different schools. In addition, those kids were also invited who had a treatment from Ghurki Hospital. Kids were offered various healthy activities like jumping castles, physical games, magic show and costume play. It was a great opportunity for the tiny tots to showcase their talents. The little angels came colorfully dressed. Head of the Department

Paediatric, Prof. Dr. Rizwan Waseem discussed with the parents about the basics of parenting and shared his experience regarding parenting. Prof. Dr. Amer Aziz, Chairman Ghurki Hospital, Prof. Dr. Alina Head of Department of Anesthesia, Dr. Khurram Ijaz Medical Director, Additional Medical Superintendent Dr. Tanveer, Director Accounts and Projects Muhammad Naeem graced the occasion. Prof. Dr. Amer Aziz distributed the prizes among kids.

ONE DAY HOSPITAL PHARMACY CONFERENCE

“BEST PRACTICES IN MEDICATION SAFETY”

1st Hospital Pharmacy Conference on “BEST PRACTICES IN MEDICATION SAFETY” was successfully conducted on 22nd February, 2020. This conference was organized by the Department of Pharmacy Services Ghurki Trust Teaching Hospital and Lahore Pharmacy College in collaboration with Pakistan Society of Health System Pharmacists (PSHP). Chairman Ghurki Trust Teaching Hospital Prof. Dr. Amer Aziz

and Medical Director Dr. Khurram Ijaz graced the event with their presence. Many renowned pharmacists presented their topics on “Best Practices in Medication Safety”. The purpose of this conference was to create awareness and educate practicing pharmacists and pharmacy students regarding advance and up-to-date medication safety practices around the globe.

BASIC LIFE SUPPORT AND FIRE SAFETY TRAINING PROGRAM

Ghurki Trust Teaching Hospital collaborated with 1122 to provide a three days "Basic Life Support and Fire Safety" training program for its employees. The workshop aimed to raise awareness and increase learners' confidence when responding to emergency situations in the hospital and any unusual circumstances regarding health emergency. More than 100 participants including medical officers, nursing staff and OT technicians were present in this training program. The session was included pre-test, lectures,

practical demonstration of CPR & FBAO. After the completion of this session a written test was conducted to evaluate the participants and certificates were awarded.

ACHIEVEMENTS

An appreciation certificate was awarded to Ghurki Trust Teaching Hospital for best services in Career Fair 2019 by University of Management and Technology (UMT).

Dr. Khuram Ijaz Medical Director Ghurki Trust Teaching Hospital was awarded a Gold Medal. He obtained 1st position in Marketing Executive by the University of Central Punjab (UCP).

Ghurki Trust Teaching Hospital's Orthopaedic and Spine Center has been declared "Best Training Institution of Pakistan" by Pakistan Orthopaedic Association. It is indeed a spectacular achievement.

CYBERKNIFE ROBOTIC RADIO SURGERY SYSTEM

In Pakistan every year around 300,000 new cases of cancer patients are diagnosed. The health facilities available in Pakistan to treat cancer patients are limited, therefore, Ghurki Trust Teaching Hospital has started the construction of Cyberknife (Robotic Radio Surgery System) the 2nd in Pakistan. Alhamdulillah, now building for this project has been completed and the Cyberknife machine is in the process of installation. This

huge step in the field of health care is about to bring a revolution because Ghurki Hospital will provide international standards treatment to cancer and non-cancer patients. This facility is costing around 400 million (40 crores) and it will be free of cost for the poor and deserving patients from all over Pakistan irrespective of religion and ethnicity.

Ghurki Trust Teaching Hospital is a serviceable platform where medical treatment is free of cost for the poor and deserving patients. It is our foremost aim to constantly improve the quality of medical services. During the years we have tried our best to set up such standards that bring about confidence among the patients visiting the hospital.

Philanthropists (Donors) of Ghurki Trust Teaching Hospital have been very committed & dedicated for contribution and meeting the exceeding needs of hospital throughout the years.

Therefore, we are immensely grateful for all the help and trust that our donors have bestowed on us as it seemed impossible without their help and support.
